

# RECIPE BOOK

*Final chance to purchase at the special pre-printing price of \$39.99.*

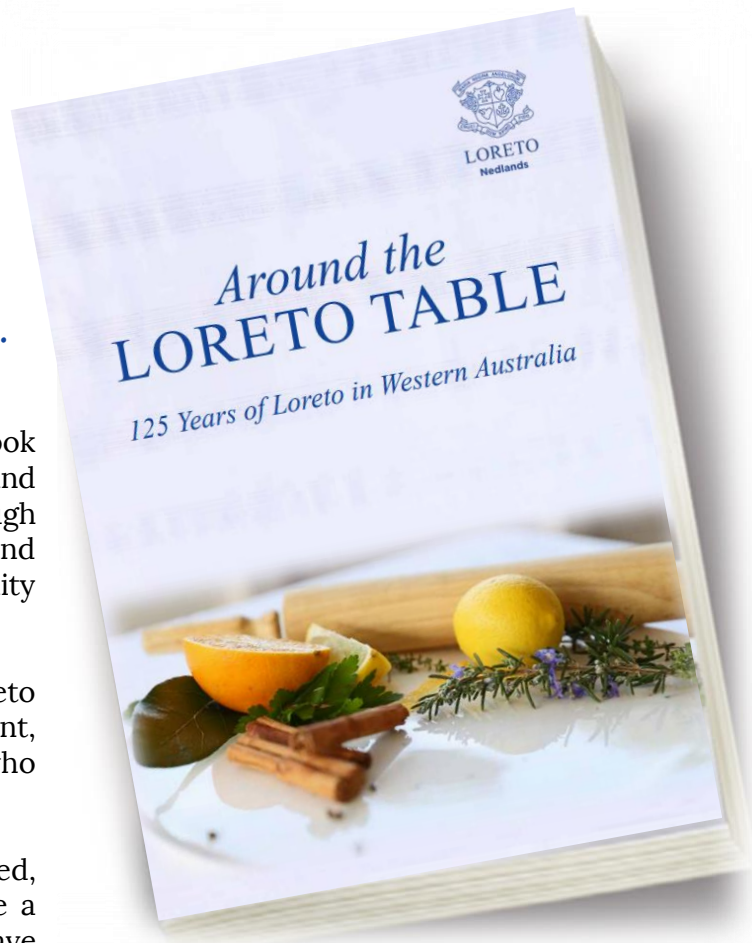

Around the Loreto Table is a high-quality recipe book that showcases all those trusted, treasured and delicious recipes that have been passed down through family and friends, including many special images and stories that capture the spirit of our school community in Nedlands and surrounds.

We would like to thank the current families of Loreto Nedlands, Loreto Alumni, teachers past and present, and those associated with the Loreto Community who have contributed recipes, stories and images.

The book is a gorgeous keepsake to be loved, read, used, and handed down for generations and would make a wonderful gift for family and friends. If you have or have had more than one child at Loreto, consider purchasing a book for each of them as a memento of their time at Loreto.

Please support the P&F of Loreto Nedlands in their endeavour to improve our school for the students of Loreto and the wider community by purchasing this wonderful recipe book.

Emails will be sent out once the books are ready for collection from Loreto Nedlands in Term 4. (Postage only available for those not located in the Perth Metro area.)
